

Prudential ISA

Withdrawal Form

The Prudential ISA is available online for new applications and the management of existing investments.

Online application and account management does not affect ISA eligibility requirements, execution policy or your cancellation rights.

If you have a financial adviser, they are able to buy and sell investments and amend your personal details online on your behalf. (Advice is required for new investments within the Prudential ISA.) The Prudential ISA terms and conditions have therefore been amended to provide your consent for your adviser to buy and sell and to make amendments online on your behalf, and to incorporate requirements particular to online activity (including those relating to personal data and data security). However, the Prudential ISA terms and conditions are otherwise unchanged and apply equally to online and other activity.

Registration is required for access to online services. Once registered for online access, you will be notified of any action taken on your account by you or your adviser on your behalf.

Part 5 – Payment details

Proceeds are normally paid by cheque made payable to, and then sent to, the registered address of the named holder of the ISA.

This is the default option if none of the alternative options below are selected.

Unless we are in receipt of bank details to enable us to pay the proceeds of any withdrawal to you, payment will be made by cheque (payable to the named investor only) and sent to the address held in our records. This may delay the time it takes for you to receive cleared funds in your bank account. If you wish to receive the proceeds directly to your bank or building society account, please complete the section below. Please note, Link Financial Investments Limited will not be responsible for any delays caused by errors or omissions in this form.

For us to make payment by electronic transfer, you must provide us with an original void cheque* or bank statement† (dated within the last three months). Certified copies are also accepted. We will only return original bank statements to you. Original void cheques and certified copy documents will be retained for our sole record-keeping purpose.

* To void a cheque please cross through and write 'void' across the cheque.
